- 16.1 The Executive Director shall be responsible for forming the Eclipse Management Organization ("**EMO**") which shall establish the Architecture Council and shall lead the development of the Eclipse Technology.
- 16.2 The Architecture Council shall be responsible for monitoring, guiding, and influencing the software conventions, standards and architectures used by Projects; It shall further advise the Executive Director in matters of importance to Developers, including any proposed changes to the Eclipse Foundation Development Process.

V. 1. - GENERAL ASSEMBLY

Article 17. - Powers

- 17.1 The General Assembly is the supreme body of the Eclipse Foundation and shall have the powers explicitly conferred to it by law or by these Bylaws.

The General Assembly shall have the following exclusive powers:

- a) to approve changes to the name of the Eclipse Foundation or of the Eclipse Technology (under the conditions set forth in article 20.9 and 26.4 (c) of these Bylaws);
- b) to approve or to amend the Eclipse Foundation Membership Agreement (under the conditions set forth in article 20.9 and 26.4 c) of these Bylaws);
- c) to amend these Bylaws of the Eclipse Foundation (under the conditions set forth in article 20.9 and 26.4 c) of these Bylaws);
- d) to appoint and revoke the directors of the Board nominated by each class of members in accordance with article 23.2. of these Bylaws and to determine the conditions, as the case may be the financial remuneration, under which the mandate of such directors is conferred, exercised and terminated;

- e) to appoint and revoke the statutory auditor(s) and to determine their remuneration for the exercise of their mandate;
- f) to approve the annual community report of the Board, the budget as well as any amendment thereto, and the annual accounts of the previous financial year;
- g) to vote on the discharge of the directors and of the statutory auditor(s) (if any);
- h) in all other cases required by law or by these Bylaws.

Article 18. - Composition

- 18.1 The General Assembly shall be composed of (i) the Strategic Members and (ii) the Contributing Members (all together the "**Voting Members**").
- 18.2 Each Member shall be represented by its Member Representative as set out in article 6.4 of these Bylaws.
- 18.3 Subject to the provisions and limitations stipulated in these Bylaws, Committer Members, Associate Members, the directors, the Executive Director, the Secretary, other officers and guests invited by the Board or the General Assembly, may attend the General Assembly meeting.

Article 19. - Meeting rules

- 19.1 The General Assembly shall meet at least once a year. The ordinary meeting of the General Assembly (the "**Annual Meeting**") shall be held in the second quarter of the calendar year.
- 19.2 Meetings of the General Assembly shall be presided over by the Executive Director, or in the absence of the Executive Director, by the chair appointed by the Executive Director. The Secretary shall act as the secretary of all meetings of the General Assembly, provided, that, in his or her absence the presiding officer shall appoint a Member to act as Acting Secretary of the meeting.
- 19.3 An extraordinary meeting (the "**Extraordinary Meeting**") of the General Assembly shall be held upon request of (i) the Board whenever the Board judges it necessary, (ii) the Executive Director, or (iii) of a number of the Voting Members which in the aggregate represent at least twenty percent (20%) or more of the General Assembly of the Eclipse Foundation by a written demand signed, dated, and delivered to the Secretary. The convening notice of an Extraordinary Meeting shall be given within thirty (30) days following the date the written demand is delivered to the Secretary, in accordance with article 19.4 of these Bylaws.

- 19.4 The convening notice of each Annual or Extraordinary Meeting of the General Assembly shall be given to each Member, by electronic mail being sent to the email address provided by the Member's then-current designated Member Representative, at least thirty (30) calendar days before the meeting. The convening notice shall include the date, time, the preliminary agenda and, if already available, the supporting documents of the meeting and, unless the meeting is virtual meeting in accordance with article 19.6 of these Bylaws, the place of the meeting. The convening notice of each Annual or Extraordinary Meeting shall include a description of any matter or matters that must be approved by the General Assembly pursuant to these Bylaws or applicable law. In the case of Extraordinary Meetings, the convening notice shall specify the purpose or purposes for which the meeting is called. With regard to the Voting Members, such convening notice shall be given in writing to every Voting Member who, on the record date for notice of the meeting, is entitled to vote.
- 19.5 No decision can be taken on an item that does not appear on the agenda circulated with the convening notice, or that is not communicated in the final agenda circulated together with the relevant supporting documents at least fourteen (14) calendar days prior to the General Assembly.
- 19.6 General Assembly meetings may be held with or without a physical location, to be held either at the registered office of the Eclipse Foundation or at any other place, as determined by resolution of the Board. Voting Members, directors, statutory auditor(s), Committer Members, Associate Members, the Executive Director, the Secretary, other officers or guests shall be permitted to attend any and all meetings of the General Assembly (including Annual or Extraordinary Meetings) in person. They can also participate in such meetings via a conference call, a video conference, a web-conference or by any other electronic means which offers the possibility to them (i) to hear each other at the same time, (ii) to speak to each other and (iii), as far as the Voting Members are concerned, to cast definitively although not simultaneously their vote on the agenda items in real time. Any Member or any other person participating by such means shall be deemed present at such meeting.

Breakdowns, overloads, line failure, connection failure or any other event of the same or similar nature beyond the Eclipse Foundation's will and related to the use of such electronic means shall not constitute a ground for annulment of the decision taken by the General Assembly, unless these constitute an irregularity as to the manner in which the decision is adopted pursuant to article 2:42 BCCA. Such technical problems or incidents preventing or disrupting the participation by electronic means to the General Assembly or the vote must be mentioned in the minutes of the meeting with sufficient precision.

- 19.7 Any Annual or Extraordinary General Assembly meeting, whether or not a quorum is present, may be adjourned by the simple majority of the votes

cast of the Voting Members, present, represented or participating remotely in the meeting in compliance with article 20.1 of these Bylaws. It shall not be necessary to give any such notice of the time and place of the adjourned meeting, other than by an announcement at the meeting at which such adjournment is taken. If after the adjournment a new record date is fixed for notice or voting, a notice of the adjourned meeting shall be given to each Voting Member who, on the record date for notice of the meeting, is entitled to vote at the meeting.

Article 20. - Voting

- 20.1 Each Voting Member shall have one (1) equal voting right on each matter submitted to a vote of the General Assembly.

Without prejudice to article 6.5 of these Bylaws, legal entities in an Affiliate Group that would be qualified as Voting Members under these Bylaws shall constitute one (1) Voting Member having only one (1) collective vote with respect to any and all matters submitted to the General Assembly. The legal entities that would be qualified as Voting Members in an Affiliate Group shall decide which Member shall exercise their collective vote, and shall inform the Secretary in writing.

Committer Members, Associate Members, the Executive Director, the Secretary, other officers or guests may attend the General Assembly meeting with the right to speak, but without the right to vote.

- 20.2 A Voting Member whose Member Representative is prevented from attending a General Assembly meeting may be represented by an employee, officer, or consultant of their organization, or of an Affiliate, by written proxy to be presented or sent by e-mail to the Executive Director before each meeting.
- 20.3 Any Voting Member, officer, legal counsel, or third party may act on behalf of an unlimited number of Voting Members by virtue of a written proxy, if Belgian law requires that the decision of the General Assembly must be certified by notarial deed.
- 20.4 Voting can be done by show of hand, by roll-call, by secret ballot, or by electronic means in real time. Voting by secret ballot may take place on sensitive matters or on personal issues and for any other purposes upon request of the Executive Director, and approved by a simple majority of the votes cast of the Voting Members, present, represented or participating remotely in the meeting.
- 20.5 Without prejudice to article 20.4. of these Bylaws and, upon decision of the Board, voting can also validly be done by electronic voting or voting by correspondence prior to the General Assembly meeting.

The Voting Member voting by electronic vote or by correspondence has to cast its vote without reserves, without presenting an amendment to the proposal and without imposing any condition on its vote.

Every electronic vote or vote by correspondence validly cast at least twenty-four (24) hours before the starting time of the General Assembly meeting is taken in consideration for the calculation of the quorum of attendance.

Electronic votes or votes by correspondence cast will remain valid for all items mentioned and covered by the agenda communicated according to article 19.4 and 19.5 of these Bylaws.

If the proposal on which an electronic vote or a vote by correspondence had been cast is subsequently validly changed by the General Assembly during the meeting, the said electronic vote or vote by correspondence is considered as null and void, but the nullity of the vote will not challenge the calculation of the quorum of attendance.

- 20.6 Upon proposal of the Board a written decision-making procedure may be launched in which the General Assembly may vote in a ballot without personal meeting, i.e. by e-mail or by exchange of written letter.

The convening notice for written decision-making shall be sent together with the text of the proposal and all supporting documents for decision-making purposes as described in article 19.4. of these Bylaws to all Voting Members at least thirty (30) calendar days before the deadline for voting. In urgent cases, replies must be given within the deadline agreed upon by the Board. A Voting Member giving no response or comment before the expiration of the deadline of voting to the Executive Director is deemed abstaining from voting and does not count for the calculation of the quorum of attendance.

The majority and quorum requirements and any other voting rules as outlined in the present section of the Bylaws shall apply accordingly.

- 20.7 Unless otherwise provided in these Bylaws, the General Assembly shall be deemed validly constituted and has the quorum to resolve when at least one-third (1/3) of the Voting Members are present, represented or participating remotely in the meeting.

If this quorum is not reached at the first meeting, a second meeting with the same agenda than for the first meeting will be convened to decide definitively and validly on said agenda, irrespective of the number Voting Members present, represented or participating remotely in the meeting. The second meeting may not be held less than fifteen (15) calendar days after the first meeting.

- 20.8 Unless these Bylaws or the Belgian BCCA require another majority, any decision of the General Assembly shall require a simple majority of the votes

cast of the Voting Members present, represented or participating remotely in the meeting in compliance with article 20.1 of these Bylaws.

Abstentions, blank or invalid votes do not count in the calculation of the majority, neither in the numerator nor in the denominator.

- 20.9 Decisions (i) approving or changing the name of the Eclipse Foundation or the Eclipse Technology; (ii) approving or amending the Eclipse Foundation Membership Agreement, or (iii) amending these Bylaws must be approved by two-thirds (2/3) majority of the votes cast of the Voting Members present, represented or participating remotely in the meeting in compliance with article 20.1. of these Bylaws.

Abstentions, blank or invalid votes do not count in the calculation of the majority, neither in the numerator nor in the denominator.

Article 21. - Minutes of meeting

- 21.1 A register book, including a record of all decisions and resolutions of the General Assembly, shall be drawn up under the responsibility of and signed by the Secretary of the Eclipse Foundation or his or her delegate.

A copy of the minutes of the General Assembly shall be at the disposal or sent to all Members by electronic mail or by any other written means of communication, upon their request.

- 21.2 The original minutes of the General Assembly have to be entered into a separate physical or electronic register that must be made available to the Members for consultation. If no statutory auditor is appointed, all Members may consult the minutes and decisions of the General Assembly at the registered office of the Eclipse Foundation.
- 21.3 The Eclipse Foundation shall post on its website minutes from the General Assembly as well as Quarterly Reports to the General Assembly as set forth in article 39 of these Bylaws.

V. 2. - BOARD

Article 22. - Powers

- 22.1 The Board shall act as a collegial body and is vested with the overall management and administration powers of the Eclipse Foundation, except for those reserved to the General Assembly in accordance with the applicable laws, these Bylaws and the decisions of the General Assembly. The activities and technical affairs of the Eclipse Foundation shall be managed by or under the direction of the Board. As a general principle, no action may be taken or approved by the Board that is outside the stated Purpose of the Eclipse Foundation as set forth in article 4 of these Bylaws.

The Board of Directors has the residual powers and decides upon any other

matter or activity serving the Purpose of the Eclipse Foundation that has not specifically and explicitly been allocated by these Bylaws to another body of the Eclipse Foundation.

The powers of the Board of Directors shall include, but are not limited to the following:

- a) Preparation of General Assembly meetings and implementation of the decisions of the General Assembly;
- b) Adoption of Internal Rules, policies, procedures or governing rules other than the Bylaws and the amendments thereto;
- c) Organisation and monitoring of accounting in accordance with the Belgian law to ensure that legal and financial requirements are met;
- d) Preparing the annual accounts and the annual community report of the previous financial year and the budget;
- e) Appointment and dismissal of the officers of the Eclipse Foundation.

22.2 The Board may delegate special management or representation powers of the Eclipse Foundation regarding legal actions or legal acts involving the Eclipse Foundation to one (1) or more directors, to the Executive Director, to the Secretary, to any other officer or to third parties. In this case, the scope of the delegated powers and the term of the mandate have to be specified.

22.3 Without prejudice to article 22.2. of these Bylaws, the Board delegates the day-to-day management powers of the Eclipse Foundation including authority to sign on behalf of the Eclipse Foundation and powers of representation relating to such day-to-day management to the Executive Director of the Eclipse Foundation.

22.4 The day-to-day management covers (i) all acts and decisions that do not exceed the needs of the daily life of the Eclipse Foundation or (ii) all acts and decisions that, either due to their level of minor interest or due to their urgent character, do not justify the intervention of the Board itself.

Article 23. - Composition

23.1 The number of directors constituting the whole Board shall be subject to adjustment from time-to-time based upon the composition requirements set forth in article 23.2. of these Bylaws with respect to Member representation on the Board, but shall in no event be less than two (2) directors.

23.2 Directors of the Board are natural persons and shall be appointed by the General Assembly, among the candidates nominated by the Strategic

Members, Contributing Members, and Committer Members in the following manner:

- a) Subject to the terms of article 23.2. e) of these Bylaws, each Strategic Member shall be entitled to nominate one (1) representative to the Board (a "**Strategic Member Director**") for appointment by the General Assembly, provided, that, such representative must be an employee, officer, director, or consultant of the nominating Strategic Member in order to be eligible to serve as a Strategic Member Director. Upon the termination of the membership of a Strategic Member pursuant to article 12 of these Bylaws, any Strategic Member Director nominated by such Strategic Member shall be deemed to have resigned, with immediate effect, from his or her position as a director of the Board. The provisions of this article may not be amended without the unanimous consent of the Strategic Members in addition to any and all other requirements including, but not limited to, the voting requirements laid down in article 26. 4. c) (iii), for amendment of these Bylaws set forth herein.

- b) Contributing Members shall be entitled to at least one (1) seat on the Board (a "**Contributing Director**"). Such representative or representatives shall represent the entire class. An additional seat on the Board shall be allocated to the Contributing Members for every additional five (5) seats beyond one (1) allocated to Strategic Members in the aggregate as determined annually as of February 1 of each calendar year; provided, that, such representative must be an employee, officer, director, or consultant of a Contributing Member in order to be eligible to serve as a Contributing Director. For example, if there are a total of sixteen (16) Strategic Members in the aggregate, there will be four (4) board seats allocated for Contributing Directors. If there are fifteen (15) Strategic Members in the aggregate, there will be three (3) board seats allocated for Contributing Directors. Candidates for such Contributing Director seats shall be nominated for appointment by the General Assembly via annual at-large elections by the Contributing Members using the Single Transferable Vote process. For purposes of this article 23.2 b) and article 23.2 c) below, "**Single Transferable Vote**" means a voting process under which each Contributing Member or Committer Member, as applicable, shall be entitled to cast numbered preference votes for as many candidates as there are open seats on the Board allocated to Contributing Members and Committer Members, as applicable. Votes that are not needed to elect a candidate and votes for candidates who do not receive enough votes to be elected are transferred in accordance with the preferences of each voter. The Executive Director (as described in Article V.4 below) and the Eclipse Management Organization (as described in Article V. 5 below) shall be responsible for establishing policies and procedures to implement the Single Transferable Vote process for the Eclipse Foundation.

- c) Committer Members, as a class, shall be entitled to at least one (1) seat on the Board (a "**Committer Director**"). Such representative or representatives shall represent the entire class. An additional seat on the Board shall be allocated to the Committer Members for every additional five (5) seats beyond one (1) allocated to Strategic Members in the aggregate as determined annually as of February 1 of each calendar year; provided, that, such representative must be either an individual who is a Committer Member or an employee, officer, director, or consultant of a Member in order to be eligible to serve as a Committer Director. The total number of nominated candidates who are an employee, officer, director, or consultant of the same legal entity (including Affiliates thereof as defined in article 6.5 of these Bylaws) may not exceed one-half (1/2) of the total number of seats available for that year's annual at-large election. Candidates for such Committer Director seats shall be nominated for appointment by the General Assembly via annual at-large elections by the Committer Members using the Single Transferable Vote process as set out under article 23.2. b) of these Bylaws.
- d) Associate Members shall not be represented on the Board and shall not be permitted to vote with the General Assembly.
- e) Affiliate Board Representation
 - (i) Notwithstanding the provisions of article 23.2 a) herein, to the extent any Strategic Members are part of an Affiliate Group (as defined in article 6.5 of these Bylaws), all such Strategic Members in such Affiliate Group shall collectively be entitled to nominate for appointment by the General Assembly only one Strategic Member Director to the Board to represent them collectively (a "**Strategic Director**"). The Strategic Director must be an employee, officer, director, or consultant of one of the Strategic Members in the Affiliate Group in order to be eligible to serve as a Strategic Director. Upon the termination of the membership of all Strategic Members of the Affiliate Group, any Strategic Director designated by such Affiliate Group shall be deemed to have resigned with immediate effect, from his or her position as a director of the Board.
 - (ii) To the extent an Affiliate Group consisting of Strategic Members is represented by a Strategic Director that is an employee, officer, director, or consultant of one of those Members, each other Strategic Member in that Affiliate Group shall be entitled to appoint an observer to the Board (an "**Observer**").

Further provisions regarding the Observer status to the Board may be detailed in the Internal Rules.

- f) The directors are appointed by the General Assembly for a term of office of one (1) year, renewable. All directors shall hold office until their respective successors are appointed by the General Assembly.

If for any reason the number of directors, falls under the minimum of two (2), the remaining directors shall call a General Assembly meeting in order to proceed to the requested appointments.

Article 24. - End of mandate

24.1 The mandate of a director ends (i) in accordance with articles 24.2 and 24.3 of these Bylaws, (ii) with immediate effect, by death of the director (iii) by the expiration of its term or (iv) by dissolution of the Eclipse Foundation.

24.2 Any director shall have the right to resign at any time by giving written notice to the Board or the Executive Director. A resignation is effective upon the date provided for in the notice. Once delivered, a notice of resignation is irrevocable unless permitted to be withdrawn by the Board prior to its effectiveness.

Without prejudice to article 23.2,e) (i) of these Bylaws, a director shall be deemed to have resigned with immediate effect from his or her position within the Board upon termination of membership of such director's Member legal entity in accordance with article 12 of these Bylaws.

A Strategic Member Director or Contributing Director shall be deemed to have resigned with immediate effect from his or her position within the Board upon termination of his or her employment, his or her position as officer, director or consultant of the respective Strategic Member or Contributing Member. The same applies to the Committer Director who is employed or holds a position as officer, director or consultant of a Member of the Eclipse Foundation.

24.3 Upon proposal of the Board, any director may be revoked by a decision of the General Assembly in the following cases:

- a) If the director is declared of unsound mind by a final order of court;
- b) If the director is convicted of a felony;
- c) If the director seriously breached these Bylaws, the Internal Rules, the policies and other governance rules of the Eclipse Foundation or any duty arising under the latter.

24.4 Upon proposal of the members of the membership class that respectively appointed them, a Contributing Director or a Committer Director, as applicable, may be revoked by a decision of the General Assembly taken in accordance with article 24.6 of these Bylaws. Such proposal of revocation

requires a two-thirds (2/3) majority of the votes cast of the members of the class that appointed such director represented at a special meeting.

- 24.5 Strategic Member Directors and Strategic Directors may only be revoked by a decision of the General Assembly taken in accordance with article 24.6 of these Bylaws upon proposal of the respective Strategic Members that nominated such Strategic Member Directors or Strategic Directors.

With respect to Strategic Member Directors, Strategic Directors and Observers, in the event the Member nominating such director or Observer (or, in the case of Strategic Directors, all Members of the Affiliate Group represented by such Strategic Director) is in Default or Dues Delinquent implying the termination of its membership (as set forth in article 12.2 hereof), such director or Observer shall be deemed to have resigned from the Board in accordance with article 24.2., Para. 2 of these Bylaws, without further action by the General Assembly.

- 24.6 The revocation of the Board as a whole or of a director before the end of the term of their respective mandate shall require the simple majority of the votes cast of the Voting Member present, represented or participating remotely in the General Assembly meeting in compliance with article 20.1 of these Bylaws.

- 24.7 A vacancy or vacancies shall be deemed to exist (i) in the case of the death or the resignation or revocation of any director (ii) if the authorized number of directors is increased without appointment, as applicable, of the additional directors so provided for; or (iii) in the case of failure at any time to elect or appoint, as applicable, the full number of authorized directors.

If a Board seat of a Strategic Member Director becomes vacant, the remaining directors shall co-opt a new Strategic Member Director within three (3) weeks of the vacancy based on the proposal of the Strategic Member whose Board seat has been vacated.

If a Board seat of a Strategic Director becomes vacant, the remaining directors shall co-opt a new Strategic Director within three (3) weeks of the vacancy based on the proposal of all such Strategic Members of the Affiliate Group entitled to nominate the Strategic Director whose Board seat has been vacated.

If a Board seat held by a Contributing Director or a Committer Director becomes vacant, the remaining directors shall co-opt a new director from nominees proffered by the Members of such class until the next annual election as specified in article 23.2 b) and c) of these Bylaws.

Article 25. - Meeting rules

- 25.1 The Board shall meet at least twice a year.
- 25.2 The Executive Director will schedule regular and (as applicable) special meetings of the Board. No Board meeting will be deemed to have been validly held unless the Executive Director or Secretary provided the convening notice to each director at least fifteen (15) calendar days prior to such meeting. The convening notice is to be sent by e-mail, letter courier or any other communication tool and includes the date and time of the meeting, the agenda of the meeting, and unless the meeting is a virtual meeting as provided in article 25.5 of these Bylaws, the place of the meeting.

No director will be intentionally excluded from Board meetings and all directors shall receive notice of the meeting as specified above; however, Board meetings need not be delayed or rescheduled merely because one (1) or more directors cannot attend or participate so long as at least a quorum of the Board (as defined in article 26.3 of these Bylaws) is reached at the Board meeting.

- 25.3 Special meetings of the Board for any purpose or purposes may be called at any time by the Executive Director or by fifty percent (50%) or more of the directors. Notice of such special meeting shall be given to all of the directors in accordance with article 25.2 of these Bylaws.
- 25.4 Subject to the provisions and limitations stipulated in these Bylaws or in the Internal Rules of the Eclipse Foundation or when deemed necessary by the Board, Members, the Executive Director, the Secretary, other officers and guests invited by the Executive Director may attend the Board meeting.
- 25.5 Board meetings may be held with or without a physical location, to be held at the registered office of the Eclipse Foundation or any other place as designated from time-to-time by resolution of the Board or by the written notice of the Executive Director. Directors, Members, the Executive Director, the Secretary, other officers and guests may attend any and all meetings of the Board (including regular and special Board meetings) in person. They can also participate in the meeting via a conference call, a video conference, a web-conference or by any other electronic means which offers the possibility to them (i) to hear each other at the same time, (ii) to speak to each other and (iii), as far as the directors are concerned, to cast definitively although not simultaneously their vote on the agenda items. Any director, Member, the Executive Director, other officer or guest participating by such means shall be deemed present at such meeting.

Breakdowns, overloads, line failure, connection failure or any other event of the same or similar nature beyond the Eclipse Foundation's will and related to the use of such electronic means shall not constitute a ground for

annulment of the decision taken by the Board, unless these constitute an irregularity as to the manner in which the decision is adopted pursuant to article 2:42 BCCA. Such technical problems or incidents preventing or disrupting the participation by electronic means to the Board or the vote must be mentioned in the minutes of the meeting with sufficient precision.

Article 26. - Quorum, majority and voting

26.1 Each director has one (1) vote on each matter submitted to a vote of the Board.

Members, the Secretary, other officers and guests may attend the Board meetings upon the invitation of the Executive Director without the right to vote. The Executive Director may, at his sole discretion, ask guests to leave any portion of a meeting.

26.2 A director who is unable to attend or participate in a Board meeting may be represented by another director by written proxy to be presented or sent by e-mail to the Secretary before each meeting.

26.3 Unless otherwise provided in these Bylaws, the Board will be deemed validly constituted and has the quorum to take decisions if at least a simple majority of the directors are present, represented by a proxy, or participating remotely in the meeting. If the number of directors constituting the Board is an even number, one-half (1/2) of the directors present, represented or participating remotely in the meeting shall constitute a quorum.

26.4 Except as provided herein, the Board may take a decision on an agenda item only if it was identified by the Executive Director or Secretary in a Board Meeting convening notice or otherwise identified in a notice of special meeting and approved by the requisite number of directors as described below:

- a) Decisions not specified by article 26.4 b) or c) of these Bylaws, and for which the Board has authority to take them within the stated Purpose of the Eclipse Foundation as set forth in article 4 of these Bylaws must be approved by a simple majority of the directors present, represented or participating remotely in the Board meeting.

Decisions requiring a simple majority vote include, but are not limited to the following:

- (i) approving an annual community report for the Eclipse Foundation;
- (ii) approving the Executive Director's compensation package;
- (iii) approving the Board's regular meeting schedule;

- (ix) approving changes to annual Member contribution requirements (Annual Membership Fees, other dues and development resources if applicable);
 - (x) selecting a general counsel;
 - (xi) approving changes to the Eclipse Foundation Antitrust Policy;
 - (xii) approving changes to the IP Policy;
 - (xiii) approving changes to the Internal Rules.
- d) Abstentions, blank or invalid votes do not count in the calculation of the majority, neither in the numerator nor in the denominator.
- e) To the extent required by article 20.9. of these Bylaws, certain decisions approved by the Board in connection with article 26.4 a), b) and c) of these Bylaws must thereafter be presented to, and approved by, the General Assembly prior to implementation by the Eclipse Foundation.

26.5 Voting can be done by show of hand, by secret ballot or by electronic means in real time.

26.6 For purposes of soliciting electronic votes in connection with a meeting of the Board at which a quorum was present, the requisite number of votes that would have been required at such meeting to pass a decision shall be required to pass a decision via this electronic voting provision. Only those directors in attendance of or duly represented by proxy in the meeting shall be permitted to vote with respect to this article 26.6 of these Bylaws. The deadline for receipt of electronic votes with respect to any such vote shall be no sooner than two (2) weeks from the date of the meeting, as announced prior to adjournment of such meeting.

26.7 Upon request of the Secretary or the Executive Director or his or her delegate or in cases approved by the Board, a written decision-making procedure by unanimous consent may be launched in which the Board may vote in a ballot without personal meeting, i.e. by fax, by e-mail, or by exchange of written letter.

The convening notice for written decision-making shall be sent together with the text of the proposal and all supporting documents as described in article 25.2 of these Bylaws to all directors at least two (2) weeks before the deadline for voting. A director giving no response or comment before the expiration of the deadline of voting to the Executive Director or his or her delegate is deemed abstaining from voting.

Article 27. - Remuneration and reimbursement

- 27.1 All offices within the Board are exercised on a voluntary basis. Unless specifically decided otherwise by the General Assembly or in these Bylaws, the directors and members of ad hoc Board Committees (as defined in article 33 of these Bylaws) shall not be entitled to receive any compensation or remuneration in compensation of their duties.
- 27.2 Directors and members of ad hoc Board Committees (as defined in article 33 of these Bylaws) may receive reimbursement for expenses as may be fixed or determined by resolution of the Board; provided, that, such reimbursement for expenses shall be reasonable and shall be comparable to reimbursements paid by unaffiliated entities for a like position.

Article 28. - Minutes of meeting

- 28.1 A register book, including a record of all decisions and resolutions of the Board, shall be drawn up under the responsibility and signed by the Secretary of the Eclipse Foundation or his or her delegate.
- 28.2 A copy of the minutes of the Board shall be at the disposal or be sent to the Members and directors by electronic mail or by any other written means of communication, upon their request.
