VALIDITY

The Secretary established from the attendance list that a quorum of members were present or properly represented, that the meeting had been validly convened, and the meeting could validly deliberate and decide on the matters listed on the agenda.

GENERAL BUSINESS

The meeting was called to order at 9:00 a.m. CEST by Mike Milinkovich. Mike thanked Andreas Nauerz and Bosch for hosting the meeting at their facilities.

The Board agreed that for all decisions to be taken during the meeting, votes would be held by the Executive Director asking members to voice: a) those voting in favour, b) those voting against, and c) those abstaining.

1. Roll Call and Approval of Agenda

Mike Milinkovich reviewed the agenda with the Board.

With all Board members present or validly represented at the meeting voting in favour, the agenda was approved unanimously by the Board.

2. General Business

a. Antitrust Policy

Mike Milinkovich reminded the board members of their obligations under the Foundation's Antitrust Compliance Policy, attached as *Appendix 2a*.

b. Minutes

Mike Milinkovich introduced a discussion of the full and abridged minutes of the 20 September 2023 Board Meeting, attached as *Appendix 2b*. With all other Board members present or validly represented at the meeting voting in favour, the Board unanimously passed the following resolution:

RESOLVED, the Board approves the full and abridged minutes of the 20 September 2023 Board Meeting as circulated.

3. Approval of the addition of MIT as a pre-approved licence for Eclipse Foundation Specification Process

Mike Milinkovich introduced a discussion of the addition of the MIT licence as one of the pre-approved open source licences noted in the Eclipse Foundation Specification Process, the related materials for which are provided in *Appendix 3*. Mike indicated to the board the omission of the MIT licence was an oversight when the other pre-approved licences were included, and that this one change is deemed to be a maintenance release of the EFSP rather than a new revision.

With with all other Board members present or validly represented at the meeting voting in favour, the Board unanimously passed the following resolution:

RESOLVED, the Board approves the release of a maintenance release to the Eclipse Foundation Specification Process to include the addition of MIT as a pre-approved Open Source License.

4. Approval of 2024 Board meeting schedule

Mike Milinkovich introduced a discussion of the 2024 Board meeting schedule, attached as *Appendix 4*. Paul pointed out that the October Board meeting will again be held in conjunction with EclipseCon in

October 2024, however the meeting will be held on the last day of the conference rather than the first day, given the relatively large number of board members who wish to participate in the conference. During the meeting, it was proposed to explore holding the April face-to-face meeting on 10 April 2024 rather than 17 April 2024, and Mike agreed to return to the Board at a subsequent meeting should any changes be made.

With all other Board members present or validly represented at the meeting voting in favour, the Board unanimously passed the following resolution:

RESOLVED, the Board approves the schedule of Board meetings for 2024 as presented.

5. September 2023 Operations Update

Paul White presented the Operations Update, including the October forecast and revised cash projections, as well as an HR update/headcount projections and a revised assessment of risks and other factors for the Eclipse Group. Paul mentioned that overall this is a “no news” update, as the Foundation is tracking well to the forecast presented in June.

With all Board members present or validly represented at the meeting voting in favour, the Board unanimously passed the following resolution:

RESOLVED, the Board adopts the 2023 Eclipse Group budget forecast as presented as the revised 2023 budget for the Eclipse Group.

6. Events and Conference Update

Gaël Blondelle provided the Board a status update on the Eclipse-run events. Gaël indicated we support a wide variety of event activities, including hosting and operating both EclipseCon and Automotive Open Source Summit (AOSS), hosting numerous virtual events including JakartaOne Livestreams and TheiaCon, and participate and/or sponsor a number of industry events. Gaël updated the Board on the Foundation’s plans to increase the relevance of Eclipse-hosted events in support of growing and nurturing the ecosystem of our community of communities, with the objective of having our event be seen as one of Europe’s pre-eminent open source events:

7. Research Update

Gaël Blondelle updated the Board about the Foundation’s engagement in European-funded research activities.

8. Review management reports

Mike Milinkovich introduced a discussion of the EMO’s management reports as presented in the most recent Topics & Issues report distributed to the Board.

8.a Eclipse Dataspace Working Group

Mike Milinkovich presented an overview of the newly proposed Eclipse Dataspace Working Group.

9. Review of 2024 Program Plan - Draft

Mike Milinkovich introduced a discussion of the Foundation's draft 2024 Program Plan.

The meeting was adjourned at 16:45 CEST.
