## About Scapa Technologies

- **Founded 1998, based in Edinburgh UK**
- **Scapa 1.0 to 2.1 (June 2004) was a standalone load and performance testing tool**
- **Jan 2004, Scapa 3.0 (on Eclipse 2.1 and Hyades 1.0.2) was a partial-function port of Scapa 2.0**
- **December 14<sup>th</sup> 2004 - Scapa Test and Performance Platform 3.1 was released (on Eclipse 3.0 and TPTP 3.1) with a broad target market and range of value-added features above TPTP**
- **Jan 2005 - Scapa 3.1 has referenceable customers in UK, US, Canada, Germany, Benelux & Nordic**
