This PARTICIPATION AGREEMENT (the “Participation Agreement”) is effective as of this ____ day of _____, 20__ (the “Effective Date”) by and between Eclipse Foundation, Inc. (“Eclipse Foundation”), a not-for-profit corporation incorporated in the State of Delaware, USA, and _____ (“Participant”).

WHEREAS, Participant has entered into, or agrees to enter into Eclipse Foundation’s Member Committer and Contributor Agreement (the “Member Committer and Contributor Agreement”); and

WHEREAS, Participant desires to participate in the Eclipse openMobility Working Group (the “Working Group” or “WG”), which is one of Eclipse Foundation’s Working Groups (the “Eclipse Working Groups”) as specified in the Exhibits to this Participation Agreement and as updated from time to time under the then-current Eclipse Working Group Process (the “WG Process”).

NOW THEREFORE, ECLIPSE FOUNDATION AND PARTICIPANT AGREE AS FOLLOWS:

1. Definitions

- (a) “Eclipse Membership Dues” are those annual fees for membership in the Eclipse Foundation at large as set forth in the Membership Agreement.
- (b) “WG Participation Fees” are those annual fees (if any) for participating in the Working Group, as established by the Working Group’s Steering Committee and set forth in the charter of the Working Group (the “Working Group Charter”) (a URL link to which is provided in Exhibit C), as adopted and amended from time to time pursuant to the WG Process. At its discretion, the Working Group’s Steering Committee may, pursuant to the WG Process, establish different tiers of participation and associated fees for the organizations participating in the Working Group.
- (c) “Combined Fees” is the sum of any annual Eclipse Foundation Membership Dues and WG Participation Fees required to participate in the Working Group.

2. Term

The term of this Participation Agreement (the “Participation Term”) shall commence as of the Effective Date and shall continue indefinitely, subject to the terms of Section 7, Termination.

3. Working Group Participation

Participant agrees to participate in, to fulfill the obligations of, if any, and to receive the benefits of participating in this Working Group commensurate with the level of Working Group participation selected by Participant in Exhibit C, and as specified in the Working Group Charter. Nothing in this Participation Agreement is intended to preclude any Affiliate (as that term is defined in the Eclipse Foundation Bylaws) of any Member from independently entering into this Participation Agreement on its own behalf, and exercising all of the rights herein.

4. Membership Agreement

If, as of the Effective Date, Participant is not party to an effective Membership Agreement then Participant hereby accepts and agrees to all of the terms and conditions of the Membership Agreement attached hereto as Exhibit A and agrees that all such terms and conditions of the Membership Agreement are incorporated herein by reference and operate in this Participation Agreement as if they were expressly set forth herein. Participant agrees to be a Solutions Member of the Eclipse Foundation.

5. Contributions to Working Group

If, as of the Effective Date, Participant has not already executed the Member Committer and Contributor Agreement, Participant accepts and agrees to all of the terms and conditions of the Membership Committer and Contributor Agreement attached hereto as Exhibit B, and agrees that all such terms and conditions of the Member Committer and Contributor Agreement are incorporated herein by reference and operate in this Participation Agreement as if they were expressly set forth herein.

6. Fees

Participant agrees to pay the Combined Fees, including the WG Participation Fees as defined in the Working Group Charter and which are included in Exhibit C for reference. These WG Participation Fees may be amended from time to time in accordance with the Working Group Charter; however, any change in WG Participation Fees will not be applied retroactively, and shall take effect on the next anniversary of the Effective Date following the change in WG Participation Fees. Notwithstanding the foregoing, to the extent Participant has paid working group participation fees for participation in other Eclipse Foundation working groups, and as part of such payments has paid the Eclipse Membership Dues for any period of time following the Effective Date of this Participation Agreement, Participant shall be credited with that portion of such Eclipse Membership Dues against the Combined Fees due hereunder (i.e., no portion of the Membership Dues will be required to be paid more than once for the same period of time, regardless of how many Working Groups Participant participates in).

Payment of all fees must be made in accordance with the Eclipse Foundation Bylaws.

7. Termination

Ottawa, ON
K2H 1B2 Canada

- (b) A termination of the Participant's Membership Agreement shall automatically terminate this Participation Agreement and, except as expressly set forth in this Participation Agreement, the Membership Agreement, or in any license granted to software or other content while a Member, no rights or benefits shall survive hereunder.
- (c) This Participation Agreement shall terminate if the Working Group is terminated in accordance with the Eclipse Foundation WG Process. Participant's Membership Agreement and Member Committer and Contribution Agreement shall survive such termination.
- (d) Notwithstanding any termination of this Participation Agreement under this Section 7 or otherwise, Participant shall not be entitled to receive any refund, pro rata or otherwise, of any fee, dues, or assessments paid under this Participation Agreement. Notwithstanding a termination under this Section 7 (other than Section 7(c)), and subject to the terms of Section 6, Participant shall remain obligated to pay the full Combined Fees or portion thereof due and unpaid hereunder.
