## Minutes

### Approval of minutes from October 14, 2021 meeting

- Approved

**Informational Update on Temurin Release**

- Almost everything has been built now.
- Most AQA vit triaging is complete.
- TCK testing is underway.
- Primary 3 platforms will likely ship by the end of the week.

**Security update from Eclipse Infra**

- A security incident was remediated, discussed and resolved.

**Security and Publisher agreement**

- These will be available to the working group shortly

**Update from Marketing Committee**

- Webpage mockup demonstrated to the group
- Marketplace mockup demonstrated to the group
- Documentation repo moved to Adoptium.
- Eclipse Project pages need to be updated.
  - Hendrik can edit the page.
- Hacktoberfest has caused challenges for people to work through the ECA. An easy tutorial is needed.
- The committee discussed the download flow. Where users end up when they download a JDK etc.

**Update from Budget Committee**

- Postponed until next meeting

**Eclipse JustJ**

- A discussion was held about the JustJ project which uses Temurin binaries.
