Marketplace Update

- Work has been continuing in the background
- API is nearing completion (waiting for a few merges to complete the work)
- Tim Ellison has arranged a meeting on Monday 28th March at 15:00 BST for publishers to walk through the specification/how to implement.
 - ACTION: Tim to share invite via working group mailing list.
- A minor alteration is required in the publisher agreement (requested by Microsoft)

Confirm March 31 marketplace launch date for comms team

- It was proposed last week that the launch date be postponed by a week
- PR folks have been told that “go live” is likely mid-April now.

Website V2 Update (staging site)

- Website ready to launch (without marketplace) in the next few days.
- Thread in slack to decide if we ship

Adoptium Working Group Elections Reminder

- Elections will be (via email) on April 4th.

Discussion Only (at this stage) should participants be allowed to publish to the Marketplace?

- At this stage the answer is likely no.
- The group is better off going after the enterprise members.
