Define next steps and make a plan with deadlines for our Pitch Deck

Paul offers to go through the Pitch Deck and handle the comments. To get a new version. Jonah states Pitch Decks looks good for a version 1.

Next steps for Program Plan publication.

Titouan made grammar and visual updates on that and will provide a new *.pdf after that. Also, Sharon will provide a high-level financial plan. Mark to share the program plan on mailing list and add we do plan to have a community call presenting the program plan to a broader community in Mid/End Feb 2023.
