Steering Committee meeting during EclipseCon

Do not host the meeting at this day. Instead of that, meet for lunch together at that time for those who are onsite.

EclipseCon - Community Day for the Eclipse IDE WG

- Idea :
    - Technology showcase by Johannes Matheis ?
    - Showcase for Eclipse Chromium from Yatta (if Leif Geiger can manage this timeslot)
- SimRel Talk
    - (Ed cannot because of Board Meeting)
    - Thomas Watson talk to Pradeep if someone can do it
- Idea: combine forces with SDK (https://wiki.eclipse.org/ECE2022_EclipseSDK) because we might not find enough speakers for this.
