Dear Members of Eclipse Foundation AISBL,

As Secretary of the Association, I am pleased to invite you to the annual general assembly of Eclipse Foundation AISBL that will be held at **Spaces Omniturm, 1st floor, Grosse Gallusstrasse 16-18, 60312, Frankfurt am Main, Germany** on **8 April 2025 beginning at 16:00 CEST** (the "Annual Meeting"), as well as **via Zoom**, with the preliminary agenda set out below. The meeting is scheduled to run for 45 minutes.

In accordance with the decision of the Board of 19 February 2025, the Members (as further defined in this convening notice) and any other participants or guests can participate, and as far as the Voting Members are concerned can vote, remotely through the use of the electronic communication system Zoom made available by the Association, as further explained in this convening notice.

1. Important announcements

The Board decided, in accordance with article 10:7/1 of the Belgian Code on companies and associations, to convene and hold the Annual Meeting through the use of the electronic communication system Zoom made available by the Association and accessible to all Strategic Members, Contributing Members, Committer Members and Associate Members (together the "**Members**"), directors, the Executive Director, the Secretary, the Association's auditor, other officers or guests that attend the Annual Meeting. The Secretary and/or the Executive Director (or in their absence their respectively and duly appointed replacement) composing the bureau of the Annual Meeting will, however, attend the Annual Meeting physically to ensure a smooth organization and running of the Annual Meeting as required by law.

In accordance with Article 20.7 of the bylaws of the Association (the "**Bylaws**"), the Annual Meeting is validly constituted to discuss and resolve when at least one-third (1/3) of the Voting Members are present, have voted electronically prior to the meeting, or are represented or participating remotely in the meeting. In the event that at the Annual Meeting of 8 April 2025 the legally required quorum to validly discuss and resolve on the final agenda items is not reached, a second meeting with the same agenda than for the first meeting will be convened on 29 April 2025 at 16:00 CEST to decide definitively and validly on said agenda, irrespective of the number of Voting Members present, having voted electronically prior to the meeting, or represented or participating remotely in the meeting.

In accordance with Article 19.4 of the Bylaws, the convening notice is given to each Member. With regard to the Voting Members, said convening notice is given in writing to every Voting Member who, on the record date for notice of the meeting, is entitled to vote.

For these purposes, a special proxy needs to be granted to the attorneys-at-laws of Osborne Clarke.

4. Final agenda and availability of supporting documents

The relevant meeting materials for the Annual Meeting shall be circulated along with the final agenda in March, and at least fourteen (14) calendar days prior to the Annual Meeting, in accordance with Article 19.5 of the Bylaws. Any Member or any other person participating by such means shall be deemed present at the Annual Meeting.

6. Proxy form

In accordance with Article 20.2 of the Bylaws, a Voting Member whose Member Representative is unable to attend the Annual Meeting may be represented by an employee, officer, or consultant of their organization, or of an Affiliate, by written proxy to be presented or sent by e-mail to secretary@eclipse-foundation.org in advance of the meeting.

Note that voting is restricted to **Voting Members** (i.e. member representatives of Strategic and Contributing member organizations or their proxies). Voting at the Annual Meeting shall be done in accordance with Article 20 of the Bylaws. The decisions on the agenda items mentioned above shall require a simple majority of the votes cast of the Voting Members present, represented or participating remotely in the meeting in compliance with article 20.1 of the Bylaws.

The voting will be done (i) by electronic voting in real time or (ii) by electronic voting or voting by correspondence prior to the Annual Meeting in accordance with Articles 20.4 and 20.5 of the Bylaws.

Electronic voting in real time

The electronic voting procedure will take place using the online voting function of Zoom platform. In particular, the Secretary or their designate will launch a poll when it is time to vote, and participants will be prompted to vote at that time either in favor, against, or to abstain. The Secretary or their designate will clearly indicate how much time is granted for voting.

Voting prior to the Annual Meeting

Voting can also be done prior to the General Assembly meeting by sending your electronic ballot by email to the Secretary at: secretary@eclipse-foundation.org. Every vote submitted by email **no later than 7 April 2025 at 22:00 CEST** will be taken in consideration for the calculation of the quorum of attendance.

The Voting Member voting by correspondence or electronic ballot has to cast their vote without reserves, without presenting an amendment to the proposal and without imposing any condition on its vote.

Votes by correspondence or electronic ballot cast will remain valid for all items mentioned and covered by the preliminary and final agenda communicated according to article 19.4 and 19.5 of the Bylaws.

8. Miscellaneous

In order to facilitate expedient registration, the participants are requested to be connected to the Zoom platform 5 minutes prior to the start of the Annual Meeting as indicated in the convening notice.

Breakdowns, overloads, line failures, connection failures or any other event, incident, technical problem of the same or similar nature beyond the Association's will and related to the use of such electronic means shall not constitute a ground for annulment of the decision taken by the General Assembly, unless these constitute an irregularity as to the manner in which the decision is adopted pursuant to article 2:42 of the Belgian Code on companies and associations. Such technical problems or incidents that have impeded or disturbed the participation by electronic means to the Annual Meeting or the vote must be mentioned in the minutes of the meeting with sufficient precision.
