Minutes

Resolved, the Steering Committee unanimously approves the Meeting Minutes of February 17th, 2021.

Marketing Updates

We welcomed Hassan Jaber, who started working full time on the Eclipse Foundation marketing department for Eclipse Edge Native Working Group, and Eclipse IoT among other functions.

Clark Roundy presented the latest updates of the white paper, and its first post-edition version, there are some details to fix, i.e. pictures of the different authors, and update pictures more relevant with the content.

Action point (Clark Roundy): Distribute the white paper for internal review beginning of next week (March 8-10, 2021).

Action point (Everyone): We are in the last weeks of the 2021 IoT and Edge Commercial Adoption Survey, we need to promote it and encourage practitioners to fill it up. Deadline: March 15th, 2021.

Eclipse IoT Internship Program

Frederic Desbiens presented the new Internship Program as software engineers, adding new features, integration, etc. and the different ways the founding members can contribute to it.

Action Point (Angelo Corsaro): Angelo Corsaro supported the idea and tentatively committed 5K euros to it. (To be confirmed) AP to submit a development initiative proposal according to the founding specified by end of April, 2021.

Membership Pipeline

There is a new entry in the candidates organization JFrog, they are interested and intrigued by EdgeOps.

Next Meeting
Resolved, the next meeting will be held on Wednesday, March 17th, 2021
