Jakarta EE Working Group: 2018 Committer Member Election Candidates
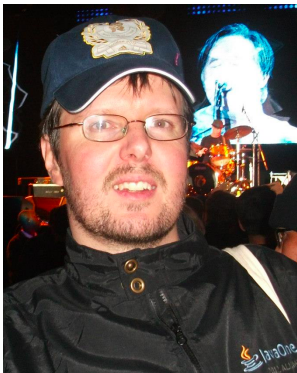

Ivar Grimstad

Ivar Grimstad works as Principal Consultant for Cybercom Group in Sweden. He is a Java Champion and well-known in the Java community.

Ivar is involved in the Eclipse Foundation as the PMC Lead for EE4J as well as being a committer on several of EE4J projects. He is a long time member of the Java Community Process where he has participated in a number of expert groups and currently serves on the JCP Executive Committee.

Ivar is also involved in Eclipse MicroProfile as well as being an Apache NetBeans Committer.

Werner Keil

Werner Keil is a Cloud Architect, Java EE and Microservice expert for a large bank. Helping Global 500 Enterprises across industries and leading IT vendors.
He worked for nearly 30 years as IT Manager, PM, Coach, SW architect and consultant for Finance, Mobile, Media, Tansport and Public sector.

Werner is Committer at Apache Foundation, Eclipse Foundation, Babel Language Champion, UOMo Project Lead and active member of the Java Community Process in JSRs like 338 (JPA 2.2), 344 (JSF 2.2), 354 (Money), 358/364 (JCP.next), 360/361 (ME Embedded), 362 (Portlet 3), 363 (Unit-API 1), 365 (CDI 2), 366

(Java EE 8), 375 (Java EE Security), 380 (Bean Validation 2), 382 (Config), 385 (Unit-API 2, also Spec Lead) and was the only Self-employed Member of the Executive Committee for 9 years in a row till late 2017.

Werner is one of only 2 Individuals who were EG members of the Java EE 6, 7 and 8 Umbrella Expert Group. Beside that he's a member of 10 individual JSRs that are part of Java EE and now contributed to Jakarta EE. Werner helps features of Eclipse MicroProfile as contributor. He is a Spec Lead of the Java Units of Measurement Standard (JSR 363/385) which is used by several Eclipse Projects from IoT (e.g. SmartHome) to Science (e.g. January). Werner is Eclipse UOMo project lead, committer to Eclipse JNoSQL and Eclipse Babel Language Champion for the German language.
