Media partner collaboration

Event: [Open Community Experience (OCX) 2026](#)
Dates: 21–23 April 2026
Location: Brussels, Belgium
Organiser: Eclipse Foundation

About OCX

Open Community Experience (OCX) is the Eclipse Foundation's flagship conference, bringing together developers, researchers, industry leaders, and open source practitioners across multiple domains.

OCX 2026 will host **600+ attendees** and feature a main conference track plus **five collocated events** covering developer tooling, automotive, AI, regulatory compliance and research.

Media partnership overview

We collaborate with selected media partners to amplify the reach of OCX while providing partners with visibility, content access, and on-site engagement opportunities.

What OCX offers media partners

As an OCX 2026 media partner, you receive:

- **A free OCX conference pass.**
- **Press room access at OCX 2026** (on-site workspace and networking access)
- **Logo placement** on the official [OCX 2026 website](), under the "media partner section" in "our sponsors" page.
- **A social media post** from OCX official channels announcing the partnership
- **A personalised media partner social kit**, including:
  - Branded graphics
  - Suggested social copy
  - Newsletter blurb

What we ask from media partners

In return, media partners commit to a set of agreed promotional actions:

- **Event listing:** OCX 2026 inclusion on your events calendar or dedicated event page
- **Newsletter mention:** At least one mention of OCX 2026 in your newsletter (before the event)
- **Social media coverage:** At least 3 social media posts across your social channels mentioning OCX 2026, and tagging our official accounts:
  - [OCX LinkedIn]()
  - [OCX X/Twitter]()
  - [OCX Instagram]()

Next steps

If you're interested in partnering with OCX 2026:

1. Confirm interest
2. Share your company logo, description (max. 500 characters) and link to the website
3. Align on deliverables and timing
