MINUTES

Minutes of May 7th, 2021
- Resolved, the Steering Committee approved the April 7th, 2021, Minutes

Election Notice (Participant Member Seats X2)
- Nomination of Christoph and Philippe

Vaccine & Disposable Identities Initiative
- Involvement of the external European Foundation in Tangle EE has been checked
    - Action: Catch up with Michele - potential to move a project with external Foundation within Tangle EE

Energy Initiative
- Leveraging secured assets (Idea of making "smart access" part of "digital identity") - > Focus on software side:
  - Tangle EE member is awaiting the answer of his organization if using resources as open source is possible/supported

Tangle EE Members Engagement
- Real members engagement will probably begin when members are getting involved into the projects
- Objective to get one of the projects (e.g. in Identity) started
- Idea of a public membership meeting or setting up a Tangle EE community day
- Tangle EE SC Member will talk to members individually
