Strategic Developer Report

Brox IT-Solutions GmbH

December 9, 2009
Miami, Florida

Leveraging Eclipse

- SMILA
- Eclipse Link
- Equinox

Leadership at Eclipse

- SMILA
- Architecture Council

Investment in Eclipse

- Between Summer 2008- Summer 2009 we had approximately 10 people working in SMILA payed by brox
- Right now there are 3-4 people working on the project
- We are planning to ramp back up to 10+ during 2010
- Sponsor fo ESE
- Working on the Initiation of Industry working groups:
    - Automtives
    - Telecommunication
    - Semantic Technologies
- Eclipse Days
- Eclipse.org search powered by SMILA
- We have started to contribute to other projects and will most likely expand on this
