Paul mentioned that as per his email from 30 April 2024, Mike's 20th anniversary as the Executive Director of Eclipse Foundation is in May; Mike was hired by the Foundation in 2004 as its first Executive Director and has held this position ever since.

The members of the board expressed by email and further at this meeting their complete support of this recognition of Mike's contributions and their appreciation for Mike's leadership and achievements. They noted that throughout the years, Mike's outstanding leadership, strong values, and commitment to success have served the Eclipse Board, the staff, the Eclipse community, and the open source software industry extremely well. They recognised that Mike has led through multiple incarnations of the Foundation, from the explosive growth in the early years, through economic downturns, through the expansion from an organisation focused solely on the Eclipse IDE to the 20+ industry initiatives today, and of course, through the most recent pivot to Europe done at the height of Covid-19. At each stage, they noted Mike has challenged himself and the organisation to adapt, grow, and accommodate and that he has done so in a manner that has constantly and consistently enhanced the Foundation's reputation as a trusted leader in the open source software industry.

With all Board members present or validly represented at the meeting voting in favour, the Board unanimously passed the following resolution:

RESOLVED, on the 20th anniversary of his joining the Eclipse Foundation as its first and only Executive Director, the Board acknowledges Mike Milinkovich's outstanding contributions, both through his management of the Foundation as an institution and in his exceptional representation to industry on behalf of the Foundation. In particular, the Board commends Mike for his outstanding leadership, his strong value set, and his relentless commitment to achieving our objectives. The Board recognises the immeasurable positive impact Mike has had over these 20 years. The Board thanks Mike for his unwavering commitment to excellence and looks forward to many more years of his valuable leadership.
