7.1 Limitation of Liability. To the extent permissible by law, in no event will either the Eclipse Foundation or Participant be liable to each other under this Agreement for the cost of procuring substitute goods or services, lost profits, lost revenue, lost sales, loss of use, loss of date or any incidental consequential, direct, indirect, punitive or special damages, whether or not such Party had advance notice of the possibility of such losses or damages.

Any dispute arising out of or in relation with the conclusion, validity, existence, enforcement and termination of this Agreement, and its interpretation, on contractual or extra-contractual grounds shall be construed and governed by the laws of Belgium without reference to conflict of laws principles.

7.3 Dispute Resolution. Both the Eclipse Foundation and Participant irrevocably agree that the Courts of the judicial district of Brussels, Belgium, shall have exclusive jurisdiction to settle any dispute or claim (as detailed under Section 7.2). 7.6 Independent Contractors. The relationship of the Eclipse Foundation and Participant established by this Agreement is that of independent contractors. This Agreement does not give either Party the power to direct and control the day to day activities of the other, constitute the Parties as partners, joint ventures, co-owners, principal-agent or otherwise participants in a joint or common undertaking, or, except as expressly provided herein, allow either Party to create or assume any obligation on behalf of the other for any purpose whatsoever.
