6. **General**

6.1 **Limitation of Liability.** To the extent permissible by law, in no event will either the Eclipse
Foundation or Participant be liable to each other under this Agreement for the cost of procuring substitute goods or services, lost profits, lost revenue, lost sales, loss of use, loss of date or any incidental consequential, direct, indirect, punitive or special damages, whether or not such Party had advance notice of the possibility of such losses or damages.

6.2 Governing Law. Any dispute arising out of or in relation with the conclusion, validity, existence, enforcement and termination of this Agreement, and its interpretation, on contractual or extra-contractual grounds shall be construed and governed by the laws of Belgium without reference to conflict of laws principles.

6.3 Dispute resolution. Both the Eclipse Foundation and Participant irrevocably agree that the Courts of the judicial district of Brussels, Belgium, shall have exclusive jurisdiction to settle any dispute or claim (as detailed under Section 6.2). Notwithstanding the foregoing, if the dispute involves a Participant that is an organization established by a treaty or other instrument governed by international law possessing its own international legal personality ("Intergovernmental Organization") and enjoys immunity from legal processes of any jurisdiction, national court or other authority, then the Parties agree that (a) Nothing in this Agreement and nothing in the Bylaws, Membership Agreement, Internal Rules, additional policies, procedures and other governance rules adopted by the Eclipse Foundation constitutes or may be interpreted as a limitation upon or waiver of that immunity and (b) any dispute or claim (as detailed under Section 6.2) will be governed by Belgian law and finally settled by arbitration. Unless otherwise agreed by the Parties in writing, arbitration shall be conducted under the Rules of Arbitration of the International Chamber of Commerce by one (1) or more arbitrators appointed in accordance with the said Rules. The place of arbitration shall be Brussels, Belgium. The language of arbitration shall be English.

6.4 Counterparts. This Agreement may be signed in counterparts, in the number of originals stated hereinafter on the signature page. When taken together, the counterparts signed by all Parties shall constitute one and the same instrument.

For purposes of this Agreement, an assignment shall be deemed to include a transfer or sale of all or substantially all of the business of Participant, or a merger, consolidation or other transaction that results in a change in control of Participant.

6.6 Independent Contractors. The relationship of the Eclipse Foundation and Participant established by this Agreement is that of independent contractors. This Agreement does not give either Party the power to direct and control the day to day activities of the other, constitute the Parties as partners, joint ventures, co-owners, principal-agent or otherwise participants in a joint or common undertaking, or, except as expressly provided herein, allow either Party to create or assume any obligation on behalf of the other for any purpose whatsoever.

6.7 Order of Precedence. Notwithstanding anything else to the contrary in this Agreement or in any other agreement entered into with the Eclipse Foundation, in the case of the conflict between the terms of this Agreement and the Participant’s Membership Agreement and the Participant’s MCCA, the terms of those agreements shall prevail.
IN WITNESS WHEREOF, the parties hereto have executed this Participation Agreement as of the Effective Date written above.
